discover the possibilities

Inspired by traditional encaustic cement tiles, Artisan has the look and feel of a hand-made product - each piece varies slightly in pattern and texture. This is part of the beauty and rustic character of the design.

Oakleigh Terra Gullwing
(HJ4G1-071)

Provence Gullwing
(C721-35)

CONTEMPORARY

Veloce Lakeshore (H76G8-071)

Poco Sahara (HG5G9-071)

Contemporary style...

Defined by simplicity, subtle sophistication, deliberate use of texture and clean lines.

POCO

Vertical or horizontal lines and curved shapes like our Poco design are evident in any contemporary-style home.

GET THE LOOK

Consider a black or coloured sink instead of stainless steel.

Brass tapware adds a warm contemporary touch.

Use low hanging pendants with geometric shapes.

Create a contemporary vibe with modern abstract art.

MADRID

Our Madrid design provides a simplistic backdrop and complements other modern accents such as timber, soft metals, concrete and greenery.

Madrid is available in a wide range of neutral & earthy colours. Refer to page 42.

Madrid Terra (HJ3F6-071)

OXFORD

Timeless geometric patterned tiles like the Oxford design can be softened by using textured fabrics across window treatments, pillows or rugs.

{ Oxford is contemporary,
yet timeless, especially
in black! }

Oxford Black (C704-06)

SCANDI

Oslo Blush (HD3F2-071)

Torino Lakeshore Bone (HF5G2-071)

Scandi style...

This style can be defined as a minimalist and functional aesthetic. The accents are natural where possible and include light timbers, textures and handmade items which provide an earthy touch.

TORINO

The Scandi scheme is generally white, however it does allow you to introduce colours such as gentle greys, greens and soft pink and blues as found across our Torino Lakeshore design.

GET THE LOOK

Light oak timber floors are a great option to get this look.

Pendants, small or large ground a Scandi room.

Embrace the Scandi art of 'hygge' with a cosy throw rug.

Create warmth and a whimsy glow to a room with candles.

OSLO

Oslo is a simple choice for a decidedly Nordic feel, as it reflects traditional geometric patterns.

FIORE

Complete the paired back Scandi aesthetic with timeless design – Fiore. Complement with smooth rounded edges and clean lines in the furniture that surrounds.

Fiore Lakeshore (H76H1-071)

BAMBLE

Natural oak finishes with a soft touch of colour from our Bamble range creates a perfect Scandi setting.

{ Bamble is a welcoming
design that provides that
Nordic feel }

Bamble Sahara (HG5F4-071)

RUSTIC

Florence Brick Charcoal (HD5F3-071)

Rustic style...

Celebrating the old, worn and imperfect, Rustic is a style that is one of the easiest interior looks to emulate.

FLORENCE

Combinations of vintage items and preloved timber are perfectly matched with our Florence design.

GET THE LOOK

Wrought iron furnishings are full of rustic charm.

Heavy wood furniture is commonly found in this style.

Add a touch of the wild with a gorgeous elk print.

A spectacular antique brass tap set will suit the rustic tones.

Provence Piazza (HG3E7-071)

BARCELONA

The rustic color palette sways heavily towards neutral, but there is room for bold, so long as it keeps to warm tones as found across our Barcelona design.

Barcelona Storm Clay (HJ1F9-071)

VERONA

A Rustic style is a curation of furniture and materials that provide a sense of handmade, just like our Verona design.

{ For a soft rustic look you can blur the lines between provincial and farmhouse with shaker cupboards, farmhouse sinks and tapware. }

Verona Storm Clay (HJ1H2-071)

HAMPTONS

Roma Navy (H45F8-071)

Hamptons style...

It's all about crisp whites, breezy blues, timber accents, natural fibers and light, bright interiors. Think coastal dreaming with luxe and sophistication.

ROMA

Patterned blues and whites work beautifully in a Hamptons style home. Our Roma design provides a feel of effortless style and easy living.

GET THE LOOK

Pendant lights are the mainstay of Hamptons style in the kitchen.

Upholstered armchairs and sofas in pale neutrals.

Ceramics in blue and white provide a coastal touch.

Side tables in natural or white painted timbers add extra dimension.

Mezzo Lakeshore Bone (HF5G6-071)

MEZZO

Inspired by the romance and glamour of a summer home, our Mezzo design is an ideal choice for this style.

VIENNA

Our Vienna design provides a soft touch to kitchens, offsetting darker cabinetry quite often found in this style.

Vienna Mist (C710-01)

MARRAKESH

While whites & neutrals and the main interior colours, grey tones such as duck egg blue and mint green are also typical to Hamptons style.

{ Herringbone patterns are traditionally found in a Hamptons style home, however patterned tiles are as equally suited to this style. }

Marrakesh Gravity (HE8F5-071)

CLASSIC

Provence Panama Barley (HF9E7-071)

Florence Sable Panama (HG4F3-071)

Classic style...

Also referred to as timeless, and some may call it traditional. The classic look is structured and balanced, rich in accessories, texture and finishes.

FLORENCE

The key to a Classic interior is symmetry and order. Select a neutral palette and add pop of sophisticated colour in your furnishings.

GET THE LOOK

Add a touch of luxe with a chandelier.

Mirrors with ornate detailing are key.

Fine china featuring florals provide a classic antique touch.

Chairs with carved turned legs provide a heritage look.

VIENNA

Classic styles tend to emphasise heritage details and often incorporate ornate patterns to add character.

{ The addition of our Vienna design to this room grounds it beautifully. }

Vienna Clay (C710-08)

WINCHESTER

Classic style and contemporary features and patterns can work well together like our Winchester design.

Winchester Tundra (H67E8-071)

WINCHESTER

Winchester says “heritage” and works brilliantly as an alternative to tessellated tile in traditional settings such as verandas. A modern edge makes it equally at home in a contemporary room.
